Acronis True Image 2015

Acronis

The rise of virtualization, the explosion of data creation and the opportunities Cloud services offer are bringing new challenges to maintaining effective backup and disaster recovery programs for critical data.

Acronis can help you securely migrate, protect and recover critical data wherever it resides in your physical, virtual or cloud environments. With a Unified Platform and new generation technology, its innovative solutions are designed to ease the management burden and reduce total cost of ownership, while improving your recovery time objectives.

Acronis True Image 2015 Family

Faster. Easier. Smarter.

Over 5,000,000 users have trusted Acronis True Image to protect their precious photos, music, movies, and personal documents.
